<b>TITLE</b>	Searle Family Memorial Field Working Group Update
<b>DATE OF UPDATE</b>	16 October 2024
<b>ACTIVITIES TO REPORT</b>	<p>The working group met on site to inspect the field and discuss a way forward.</p> <p>The pavilion is in a sorry state and would need a lot on investment to bring it up to date.</p> <p>The water meters outside the school were inspected (6) and narrowed down to 2 – one of which is passing a lot of water. It may be the cricket club supply pipe leaking.</p> <p>Callington Cricket Club (Toby) has been contacted to get copies of the latest water and electricity bills. No response yet.</p> <p>We have confirmed that we won't need to pay council rates at the termination of the lease.</p> <p>Other cricket clubs to be contacted when we have a list of clubs from the England Cricket Board, though we can't imagine that they will be interested with the pavilion in its current state. Alternatives uses will be considered if there is no interest from other local cricket clubs.</p>
